

# IEI's 25!

As we look ahead to tomorrow, we reflect upon our origins — 25 years dedicated to bringing value to our clients. We're honored to say we are servicing some of the same clients as on the day we began our practice, and are so grateful for all the opportunities and for all of our staff's contributions through the years. We look forward to continuing our service to our clients, maintaining relationships with our consultants, and creating designs that are innovative, efficient and responsible. We dedicate the next 25 years to building on our foundation, further strengthening our practice, and forming new teaming opportunities. IEI remains committed to our core principles, and to our amazing staff and clients, in the exciting years ahead. Thank you for being a part of IEI.
